WHY CULLINOS

Your food business, running as one

Stop juggling separate tools for billing, kitchen tickets, QR ordering, delivery apps, and marketing. Cullinos connects cashier, kitchen, waiter, guests, aggregators, and owners on one platform — with GST billing, Razorpay, and the Cullinos Guest app.

GST-READY

India billing built in

CGST, SGST, and IGST on every invoice — not bolted on later.

EVERY CHANNEL

Floor to marketplace

POS, Waiter, QR storefront, kiosk, Guest app, Swiggy & Zomato.

GROW READY

One outlet to chains

Same platform from a single cafe to multi-brand hospitality.

What you get

Point of Sale

Touch cashier, holds, shifts, takeaway, GST receipts, Razorpay payments — plus Portal POS inside Admin.

Kitchen & displays

Live KDS tickets, Order Display (CDS), promo playlists, and receipt print profiles.

Waiter, tables & reservations

Floor ordering, QR table sessions, service requests, and book-link reservations.

Online, QR & kiosk

Branded storefront, scan-to-order, and Digital Ordering / kiosk — menu synced from Admin.

Cullinos Guest app

Android marketplace: nearby outlets, banners, push, loyalty wallets, reorder.

Back office & supply

Menu, inventory, recipes, purchasing, suppliers, production, central kitchen, ERP export.

CRM & marketing

Customers, loyalty, coupons, promo email, SMS campaigns, feedback surveys.

Enterprise & hospitality

Multi-outlet KPIs, stock transfers, franchise, room service, banquets, aggregators.
