CHOOSE YOUR PLAN

Which plan fits you?

Every plan runs on the same Cullinos platform — GST-ready billing, cloud Admin, and live kitchen tickets. Plans differ in the tools and scale you need.

Your business	Recommended plan	Why
Single dine-in restaurant, just starting out	**Starter**	POS, kitchen display, tables, and QR & online ordering on day one
Cafe, bakery, food truck, or kiosk	**QSR / Food SMB**	Counter mode, pickup queue, loyalty, and stock control for fast service
Growing restaurant with waiters and delivery (up to 3 outlets)	**Professional**	Full back office, CRM, delivery, purchasing, and the Waiter app
Chain, franchise, or multi-brand cloud kitchen	**Enterprise**	Multi-outlet control, multi-brand menus, franchise tools, analytics, API
Hotel, resort, or banquet venue	**Hospitality**	Room service, post bills to guest rooms, banquets, PMS-ready

CUSTOM PLANS

Need something different?

Larger networks, unusual outlet counts, or a specific mix of modules? We build private plans for your business — with the modules, limits, and pricing you need. Custom plans are assigned directly to your account.

How to get started

1. **Book a walkthrough**
   See Cullinos running for a business like yours.
2. **Pick your plan**
   Monthly or yearly billing — or ask for a custom quote.
3. **Set up your outlet**
   Guided setup for your business type, GSTIN, menu, and staff.
4. **Go live**
   Start billing, sending tickets to the kitchen, and taking QR & online orders.

Ready to get started?

Book a walkthrough and we'll help you pick the right plan for your outlets.
